E-Meditek Global in association with Nepal Investment Bank launched Nepal's First Healthcare Pre-Paid Card today. NIBL MediCash card will be available in Nepal for a nominal price and will empower them to carryout medical expenses beyond any constrain on the limit of monetary transaction in India. Also, the medical treatment and related services would be offered at a discounted rate. The card provides for an ease, convenience and savings to the patients travelling to India for medical treatment, consultation and follow up visits. The card aims at promoting medical tourism in India. The holder of card gets access to wide range of medical and non-medical concierge services like Ambulance Service, emergency evacuation services, escort services to dependents and delivery of Medicines at discounted rates. Further, this card offers access to negotiated IPD packages, provides platform to compare the treatment cost and helps in deciding the Hospital for the treatment.

All patients travelling to India will only need to submit the treatment intimation form either online, by visiting the website [www.niblmedicash.com](http://www.niblmedicash.com), or visiting any of the Nepal Investment Bank Branch. On receipt of the Intimation /information, E-Meditek Global will assign a dedicated relationship manager who will be assisting the customer throughout his visits which includes complete assistance at the time of hospitalization and discharge. E-Meditek has created an integrated network of medical service providers that includes more than 5000 hospitals, 4500 diagnostic Centers and 3000 individual practitioners Pan India and avail medical benefit at discounted / negotiated rates.

Speaking at the Launch, **Gopal Verma, Chairman, E-Meditak Global** said, "We are proud to launch Nepal's first Healthcare prepaid Card in association with NIBL. This card is inspired by the concept "Friend in Need is a friend in deed" and works exactly in the same fashion. It is a one stop solution and provides complete assistance both medical and non-medical to Nepali visitor visiting India for medical treatment. This card not only redefines the way one saves money, but also increases convenience when one needs assistance the most: be it sickness at midnight, admission into a hospital, online search, appointment with doctors, emergency medical evacuation, access to your old medical record. Additionally, there are many other services like online support and access to critical information that is designed to suit every individual and family. "

**Jyoti P Pandey Chief Executive Officer Nepal Investment Bank** shared, NIBL Medicash card will act as a bridge for those seeking assistance while on medical visit to India. The commitment in providing quality service from our partner EMeditek Global is commendable and we are confident that the benefit our customers will reap from this NIBLMedicah Card will exceed beyond monetary value.

**Uttam Nayak , Group Country Manager, India & South Asia , Visa**, said, "We are delighted to partner with Nepal Investment Bank Limited and E-Meditek Global, to roll out South Asia's first Healthcare focused Visa Prepaid card for the citizens of Nepal , travelling to India for medical services. This program is tailored to help them get best medical facilities at over 4000 hospitals with preferential rates. The cardholder benefits from the convenience of loading additional funds from Nepal thereby making it the preferred currency for healthcare travel.
